Honorable Myron Thompson;  
I Am Writing this letter in  
Regards To Michael Campbell I  
have known Michael all his life,  
he has always been a respectable  
person to ALL people. Michael has  
never been in ANY trouble, he was  
also a very smart student in  
School.

Michael is the father of (2)  
children that miss him very much  
He has not seen them since  
he was locked up (10) months ago.  
Michael has always worked, when  
he became of age to work, And he  
has always paid his child  
support.

Michael is a very understanding  
person, if he know you need  
help he will try his best to  
help people.

So Please your honor please  
take this in consideration when  
he stands in front of you.
